APPLIED KINESIOLOGY SESSION

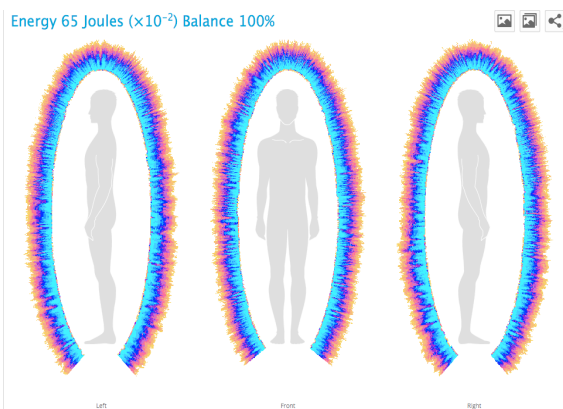

In this portion of the session you will be muscle tested for issues that the body is experiencing that may be the cause of physical, emotional, nutritional or energetic deficiencies.

You will experience the body energy increase in this session, and will be given at home techniques to continue feeling great!

BIO-WELL ENERGY SCAN

Scientists have proven before our physical bodies get sick, we first see disruptions of energy. We can quickly replenish energy in these areas before they manifest in the physical realm. You will be able to tell which organs are energetically under stress and out of coherence. You will receive a before and after Bio-well energy wellness scan digital report

CUSTOM SOLFEGGIO CHAKRA BALANCE AUDIO FILE

We will create a custom solfeggio music file for you based on your unique body system.
